athison and Richard Grogan Comments Lost an outboard wing on one RM during outside loop (they do that) but landed normally!!! All made the 5 lap minimum!!! 1 of the RMs flown was built in 1970 by Pete Tucker and was the first Monokote in that area Once again John managed to make a bunch of flights with his extensive fleet of beautiful Ringmasters! Good solid Fox 35 powered S-1 Ringmaster! No ZingMasters this year!! :-2 demo flights at the Epxo ended with Drone strike (10/1)!! Repaired and flew 27 more at the contest (10/2)! Baseball and football teams ran them off the field!! 13 planes (1 the huge 1014 sq" area +P!!) 2 RC pilots solo'd & want their own Ringmasters for next year!! 3 different planes all Standard .91 to .35 engines Had a potluck feast!1 "RaceMaster" modified S-1, 2 S-1s and 3 Juniors! Heavy rain and flooded field prevented flying on Sunday! One member flew on Saturday at another location! Len flew the 1014+ Super Super Ringmaster (OS .75) twice. "We had very nice, sunny, warm and humid weather!" Six hearty and stalwart pilots average 35 flites each! Rained out 10/1 but got 1 flight 10/2 Scratch built S-1 form Pat Johnston Ringlite plans. Fox 35 They flew electric S-1 RMs. Ron's kit built S-1's ESC failed after 11 flight and the rest were on a Brodak ARF District V AVP Dave Wenzel put up 28!! Stephen Kearley added 3 more!! Way to go Dave! One RC pilot and another girfriend were new pilots. Control Line is alive and well!!! Paradise Control Line club members flew three versions of the Ringmaster Ringmaster S-1 with Fox 35 Along with S-1s they flew a 1/2A coroplast, 150s and Junior Ringmasters! Sat. ended early with RAIN! 7 different S-1 RMs. 5 were my electrics! Great weather after fog burned off. One PeeWee Ringmaster with .020 Cox!!! Event covered by the Randolph County Herald Tribune!!!! Rained most of Saturday but Sunday was decent!! 4 RM different 2 Cox .049, 1 McCoy .29 and 1 Fox 35 Vintage Ringmaster with a Fox 36 Sport (flew in the rain) Most of the planes were S-1 with one Imperial Ringmaster dbl Pilot and Flights over 2015 Flew flights with two Ringmasters flying together! Threat of rain but we lucked out! Rick out did himself with 53 flights mostly using Larry Linburg's 1/2A Ringmaster S-12 inverted crash (up=down), S-1 wingover too low, Baby RM with TeeDee no problems!!! 4 Pilots used 4 Ringmasters to make a 82 flights!! That's 20 + per pilot! Wish everyone could do that! Beautiful Weather!! Got two days of flying!! Not named after the Sterling RM but they sure had a great turnout again this year! electric S-1, Glow powered S-1, Junior and Matt Kania original Ringmasters Glow lighter went south!!! 9 Glow S-1 Ringmasters, one electric, 2 juniors, 1 Baby and 1 beginners Ringmaster S-1, S-1A, Junior, Super and Baby Ringmasters!! One new pilot completed two flights!!! Eight Ringmasters only one crash! Father and son flew! Please keep on update list! !960s RM Junior Cameron 19 engine Kim put Missouri on the list of States included in the Fly-A-Thon!! New Brodak S-1 Ringmaster with LA25. Had trouble with engine run maybe loose debris in tank!! Joey Mathison, originator of the FLY-A-THON, put up 152 flights over the 2 days!!! WOW I'm impressed! Flew 4 Ringmasters & had 3 more in reserve. Pete says, "Technically no one really crashed" LOL Burt Goldsmith flew a S-1 Rm and Steve a Ringmaster Triplane and Biplane!! 2 RM Jouniors, a Brodak ARF and Sterling Kit built S-1 Ringmaster Had trouble getting in his report but persistance paid off! Thanks Tony -- Tight lines and soft landings!! Four Winnipeg Canadians joined the fun and two new pilots flew! James' Super 6 People flew the required 5 laps with a Rringmaste "Hope we Make the Goal" S-1 ARF with OS 26 4 stroke. New CI field as part of the TORKS RC Club!! Steve 2 flights and Rodney Stow 1st solo plus 1 flight =3 Both with Brodak RM "Flew great"! Brodak Ringmaster powered by Fox 25 2 Ringmasters, 3 Ringmaster Jr. flew. "Thanks! This is a great reason for guys to fly u/c again." All of these flights were on Sunday! Tough weather so some flights in the RAIN! "This event seemed to pump up more enthusiam into our club!" (4 new people interested in joining!) 1950 S-1 Builder John Newcomer, elderly enthusiast, Allen did the flights. Ron called John druing flights!! Five pilots put up 26 Ringmaster flights! Watt Moore put up this flight at Watt Field!! Jim Lynch had two flights and the rest one each Dee Rice's Ringmaster Roundup contest had lots of flights inculding a Bipe, Baby and Imperial!! "Had a blast with one chased the plane across the field from wind gusts and one figure 9 nose plant" Flew at Dale Gleason's private field. "Great diversion from the daily news these days!" Virginia modelers were chipping in some Fly-A-thon flights again this year!!!! Mark Stockman & Paul Gibson did the fling at Meadowwood flying site near Lorton, VA "The weather was nice. We shut down fflight ops at 4:15 PM. We had a blast!!" A# of Ringmasters including a 38 oz "flying pig" and a back from the "dead"! Dairy Queen catered! The Skylancers put up big #s again this year right from the Nation's Capitol! Thanks Rodney soloed on a Ringmaster!!! Weather was cooler (104 degrees F) but windy!!! This is a first from an Arab Nation!!! th RM that Eldon has built from age15 to age 69. Veco 29 for power in keeping with the old time S Brodak Electric ARF, Brodak RM ARC and Scratch built Ringmaster After rainy Saturday and Foggy Sunday AM the Dizzy Flyers put up 8 flights with 2 different Ringmasters Weather was a challenge but they perservered between the showers!!! A twin was amoung the many RMs Flew alone to support the Fly-A-Thon with his S-1 Electric He used a "Baby Ringmaster witch I make 3 flights today at Rome, Ali sul Tevere field."

Bad weather but made 15 flights - one with 4 RMs at once (collision cost 1 RM a wing and rudder)
Gabriel, Ennesto Calvo and Sergio Vitale = 9 flights Oct 1st & Gabriel and Ernesto 5 before storm Oct 2nd

The Chile flyers boosted their count from 16 to 21! One Electric, 3 Foxes and a ThunderTiger for power.
Attila recruited many pilots that each made a single flight!
These pilots are listed under their native countries
Limited space so 50' lines/3rd flight the back half of the muffler fell off but still flew the additional flights!
Two ARF S-1s, 1 built from scratch S-1, one 576 Ringmaster and a new Ringmaster JR! Only minor repairs!
3 S-1 Ringmasters built from Brodak Kits!!
"Not a real good effort from us this year but every little bit helps!"
John puts Tasmania back in the tally this year!!!
