Ray Stinchcomb</li> </ul>	Our fleet incudes at least one of every Sterling kitted Ringmaster except the Imperial. Next year we'll have an Imperial to complete the collection. The RC Ringmaster is a Sterling made kit, but if you don't want to count it, then lower our count by 2. Always fun, sorry we didn't run up as many flights as last year. we'll do better next year!

10/5/2020	Timothy	LaNore	United States	MD		Upper Marlboro	Skylancers Of Washington ( SLOW Club ) at PGRC	649	Glo planes were an S-1 and 2 S-A(s) powered by Fox 35s. Electric planes were : 4 Coroplast Baby Ringmasters ( think old campaign signs ), 1 balsa/foam Baby Ringmaster, 1 balsa/foam Junior Ringmaster and 3 traditional balsa Baby Ringmaster Bipes.	8	John Vlna, Tim LaNore, Kathleen LaNore ( Saturday & Sunday ), Joe Pekney & George Marenka ( Sunday )	Keep This Thing GOING !!!!!!! Because 2020 has sucked so bad because of the virus, the Fly-A-Thon was the only beacon of fun we've been able to have.
10/3/2020	Paul	Smith	United States	MI		River Rouge Park, Detroit, Michigan	Paul M Smith	19	S-1, red with Fox 35 Stunt S-1, white with OS 25 S-1 racer, orange with OS 25 Super Ringmaster with K&B Greehead 35.	5	Ron Colombo Paul Smith Ed Brzys Steve Kott Larry C	Red S-1, OK but weak engine Bellcrank pulled out of white S-1. Orange racer damaged do pilot trying to do negative manouvers with a racer. Super OK, best engine & engine runs.

A variety of engines were used including FOX .35, McCoy .35 OS.35, COX .049 and COX .020 The oldest pilot was 75. This was the first time at this event for 2 pilots. They are sure to return! Weather for both days was typical of October in Michigan, WINDY and cool.  The only suggestion is the same one we make every year; it would be great for us if this event took place earlier in the year when the weather is better. We would likely experience
10/3/2020	Lester	Goldsmith	United States	MS		Audubon Park, Memphis, TN	no club	5	PDK Ringmaster Deluxe 441 Brodak S1 Vintage Performance S1	1		We had about 13 pilots together today, Each will submit his own results

10/3/2020	William	Crane	United States	MO		from somewhere near Kearney, Missouri (home of Jesse James)	William R Crane	10	Brodak ARF Ringmaster with OS LA 25 blue	1	MrClean	Ohhhh, Guys, finally this year I remember my tank was too low making inverted flights a death sentence and upright flights veeeery lean. I got smart and moved the tank before flying. Adjusted the needle once and had 10 perfect flights, no drama mama. Thanks to explaining selfie mode to a buddy of mine, his motor was turning backwards on his video, I decided I could fly the 10th flight clockwise, here's video of the proof. <a href="https://www.facebook.com/1405715559/videos/10218879460523297/">https://www.facebook.com/1405715559/videos/10218879460523297/</a> I may get some more flights tomorrow but I've got chores to do now. Great time this year that could
10/4/2020	George	Schwagerman	United States	MO		Kingsville		4	Ringmaster ARF - OS 25FP, Ringmaster ARF-LA25	2	Bill Schwagerman George Schwagerman	Perfect day for flying.
10/4/2020	William	Crane	United States	MO		Somewhere near Kearney, Mo.	William R Crane	8	Brodak ARF with LA 25	2	Tatiana Ramsey SJ Ramsey Harlan Ramsey William Crane aka MrClean aka Grandpa	These are additional flights to Saturdays flights, sorry for the extra book-keeping but the more the merrier. 8 laps into my Oldest Granddaughters flight we wandered a bit too close to the Hedge-apple tree and it took my tail feathers off so we landed rather excitedly. I cleared the field and everyone had fun driving my John Deere Lawn mower. Beautiful day even with the damage. Time to recover anyways. Total number of flights from yesterday and today at my field are 18 with 4 "pilots".
10/5/2020	Jim	Cianciolo	United States	MO		Lee's Summit Missouri	Kansas City Radio Control Association	14	S1 and S1A	2	Jim Cianciolo. Dan Downey	Good times. Broken props but no crashes.

10/11/2020	Kim	Stricker	United States	MO		Jackson		4	Wen-Mac Powered Beginners Ringmaster	1	Kim Stricker	I wanted to include my front yard circle in the Fly-a-Thon, so flew my little sheet wing Ringmaster early in the morning before the winds came up.  Thanks for including me and for the work of those who make this event work!!!

Our club field is gravel and decomposed granite but we expect to be upgraded this year and should have more participation next year. Everyone had a smile on their face when their flights were over! The plane that got the most flights was equipped with an R/C throttle and lap times were around 10 seconds to prevent dizziness. Works great!!!
10/4/2020	Donald	Sudbury	United States	PA		Denver	Cocalico Propbusters	1	Classic Ringmaster	2	Andy Philipczak Don Sudbury	Andy is 89 years young. Don 63. Both enjoyed control line years ago and had fun for this event. The club is looking to get more participation for next year as the 2 flights generated some interest among the members present.

He landed safely to thunderous applause from the pits. -Mark Troutman's Red Head McCoy was running very well right up to throwing the head and sleeve about 20 yards away. The engine returned on Sunday with blue head. -At 80 years young and some balance issues, Dee Rice got in a flight with a very rich needle setting to get on the stat sheet! -Mark managed to get in 5 touch-and-go's with his Imperial with no prop strikes! This kept the peanut gallery

It should be noted, of the 13 pilots, 8 were new to control line and of those four completed at least five laps. Our two highlights, Elckar, managing to get inverted 5ft after launch and completing the next six laps inverted before "landing" and young Christopher (6 years old) completing a full tank including two loops and returning to level flight before landing. This was his first try at C/L All are looking forward to next year.

10/11/2020	Mike	Baker	Canada		Ontario	216 Oakhill Drive	Michael Baker		We had 3 Ringmaster out today. 2 S1, and a junior		3	Cory Paine Rick Paine Mike Baker	The wind was against us today. Normally no one would have flown. The 3 of us braved thru. Were primarily a radio control club, sport, scale, 3d, and pylon racers. Myself and a couple of others try to keep some UC going. We had 2 others lined up to fly, sadly we broke my trainer and they declined to try the Ringmasters. We had some of the best laughs today. Next year we'll be better prepared. Thanks , Mike

The flying was great! Our oldest flyer, Obi Mapua (76) years old, had not flown CL in 5 months, and after 15 laps, got very dizzy. He had to sit down after his flight. The weather was great. The planes were great flyers. John Lester was able to make the Ringmaster do consecutive loops (inside and out), and fly inverted. We want to do this again!
