Club News and Other Information

Last Club Meeting

April 17 - 10 a.m. We had a good flying session and club meeting at the ranch.

Next Club Meeting

May 15 – 10 a.m. Thursday at the Ranch / Eugene Equipment Auction flying site.

Local Flying

April 17 - John Thompson reports - We had a good flying session and club meeting at the ranch. Nice weather, though a bit breezy. It took a bit of work earlier in the week to get the field ready after a wet winter, but it was nice to be back on our primary flying site. Attending were Mike Hazel, Gene Pape, John Thompson and Gary Weems.

April 24 - John Thompson reports - It was a perfect day for flying at the ranch. Mild temperature and almost no wind. We had a good flying session with Jim Corbett, Dave La Fever, Gene Pape, John Thompson and Gary Weems attending.

May 1 - John Thompson reports – We had another good flying session at the ranch. Partly sunny and very little wind most of the day made for lots of good flights. Attending were Jim Corbett, Russ Hester, Gene Pape, John Thompson and Gary Weems.

May 8 - John Thompson reports – Several of us gathered for flying at the ranch but the wind was a bit much and only a couple of flights were made. Attending were Jim Corbett, Mike Hazel, Gene Pape, John Thompson and Gary Weems. Highlight of the

day was seeing Mike Hazel's new Ringmaster for Old-Time Stunt (John Thompson photo).

Field looking good

Mowing going well, so far no rabbits digging holes on the flying surface.
