Club News and Other Information

Last Club Meeting

Our monthly meeting was on September 21st, present were Mike Denlis, Mike Massey, Floyd Carter, and Jim Corbett.

The meeting took place at 10:06am at the flying field.

The treasurers report was handed out.

Old business - Bench on hold, need drawing before we can start building it. Safety cones in a straight line look ok. If rental cars parked on lot, please put cones around the circle.

New business - Welcomed Mike Massey as a new member. Fall Follies will be held October 11 & 12 in Salem.

Next meeting will be October 19. Meeting was adjourned at 10:18am.

Club Flying

Sunday September 21st, Mike, Mike, Floyd and Jim all flew. New member Bill Spencer and a friend from out of town visited.

September 28, Mike, Floyd, Mike and Jim got in air time. Mike Massey got a maiden flight and several others on his new Ring Master. The weather treated us well.

October 5, Mike, John, Mike, Bill and Jim made the session. Bill brought out his Red and Black beauty.

John got Evil, Vector and Aires in the air.

Jim flew his Clown, Mike his Ringmaster.

Bill did some breaking in of the engine, then got Mike to give it a shakedown flight, a couple tweaks suggested before its' next flight.

Mike mowed circle 2, with the rain we are getting it may need it again next week.

The weather was cool and dry to start, then the wind picked up and started changing directions. Noon saw some light rain and with dark clouds "a commin..." so we boogied out.

Flying Note - When the security folks at the airport ask "*do you know if someone put something in your bags without you knowing it*", DO NOT LAUGH - apparently someone did that to John somewhere in Europe and when he unpacked his luggage we got rain for the next few days.

October 12th, a couple members were at the Fall Follies in Salem. That left Jim Corbett and Mike Massey to fly in shirtsleeve weather with almost NO wind. With the two of us doing the NASCAR pitting, we got lots of air time.

Next Club Meeting Time and Place

Time and Place – 10:00 AM **October 19th** at the flying site.

Club meetings are normally the third Sunday of the month, 10 a.m. at the field, or at the "Wings" restaurant if the weather is bad. Bring a plane anyway, there may be a "**BREAK**" in the weather.
