

## NW Skyraiders' Summer Fun Fly..

Fourteen pilots and guests attended the Skyraiders July fun fly at the Auburn Municipal airport on Saturday July 30, 2022. There was plenty of flying and talking throughout the morning. Then it warmed up quickly and everyone retreated to cooler areas of the county. Only five pilots showed up Sunday morning. There were many more flights and more talking. Thanks to Jim McCartney for getting permission to fly at the airport. Thank you to Rodney Claus and Bob Welch for setting up the circle and awnings and thank you to everyone who attended the event. Hope to see everyone at the R. F. Stevenson Raider Roundup in October.
