Mike Potter called the meeting to order. The meeting went well. We picked up a new member Addis Elmore, from Texas. He signed up and paid his dues. He is another retired guy and a long time stunt flyer and is living in Redmond.

The members elected to pay the airport lease for the rest of February and all of March. The airport wants a list of members. They also said the email link to let them know when we will be flying will be up soon.

Drone licensing we discussed , everyone thinks it is wrong to include Control Line in this but most everyone got a FAA number in spite of not agreeing.

Nick Stratis got two free booths for the club at the Northwest Aviation Convention And Trade Show next weekend at the Puyallup fairgrounds. We also will have a roped off asphalt area to fly demos at. www.washington-aviation.org/NACoverview.html

Dave updated the contest list.
