- The financial report was presented by Steve Holt. The checking and savings balances were shared noting that transactions this month included checks cut to Mike Potter and Kris Millard for the materials for the carrier deck and the Porta-Potty for the Stunt-A-Thon contest. Mike Haverly provided a final accounting for the profits from the Stunt-A-Thon contest. The current paid membership stands at 29 persons for 2019.

Old Business:

- Relative to the June 22-23, 2019 Stunt-A-Thon Contest held at the Auburn Municipal Airport, Contest Director Mike Haverly provided a rundown of the results of the Stunt and Carrier competitions. We want to thank Mike and his family for hosting and cooking the Saturday evening dinner at his home. From all reports, the contest went well and the Auburn Airport proved to once again be a great place to hold a contest.
- Dave Gardner is working to finalize plans for the Ringmaster Days event the first week of October. The North Green River Park location was proposed if we want to hold the event during the work week. Thursday and Friday, October 3rd and 4th seem to be the logical days to hold the event during the week.
- The next Northwest Skyraiders Swap Meet will be held at the Kent Denny's on Central Avenue July 27th from 9AM until 1PM. We look forward to seeing you there.

New Business:

- There was a contest held in Salem, Oregon June 29th including Speed and Navy Carrier among other events. Steve Holt, Mike Potter and Kris Millard went down and participated in the Navy Carrier competition. It was a fun event with many familiar faces from northwest control line model airplane flyers present.
- Mike Potter will be in contact with Rod Claus to schedule a time to move the club's trailer with the carrier deck inside it from Rod's property at Crest Airpark to the Auburn Airport at Cascade Helicopters for the next couple of months. We are still considering selling the deck and trailer, but

no buyers for the deck have been identified at this time. The club wants to give a hearty thank you to Rod for providing a place to store our trailer and carrier deck the last several years.

Mike Potter asked for any other new business and adjourned the meeting until next month. The next meeting will be held on August 13th , 2019 (2nd Tuesday of the month).
