Old Business:

- Dave Gardner is working to finalize plans for the Ringmaster Days event the first week of October. The North Green River Park location was proposed if we want to hold the event during the work week. Thursday and Friday, October 3rd and 4th seem to be the logical days to hold the event during the week.

New Business:

- Mike Potter let us know he may have a buyer for the carrier deck and/or trailer from a buyer in California. He will keep us informed of any progress.
- Howard Rush provided status for preparations for the R.F. Stevenson Raider Roundup Contest scheduled for September 7-8, 2019 at the Auburn Airport. The sanctioning paperwork is submitted, the insurance provided to the airport along with the event business agreement. Mike is making arrangements for the porta-potty for the event. The flyer is in to Flying Lines announcing the contest. There will be a 9:00AM cleanup and preparation effort at the Auburn Airport on September 6th, Friday followed by practice flying as soon as the cleanup is complete. The airport will provide cones for the event the same as was done at the previous contest held there this year.
- Ben Jones expressed appreciation for the team of mowers who cut the grass each Friday at North Green River Park where many of us fly. He proposed the club approve providing a modest tip for each of the mowers one time to let them know of our appreciation of their efforts. A vote to approve a one-time \$20.00 tip for each of the team up to five persons was voted on and approved. Steve Holt and Ben Jones will see to this action.

Mike Potter asked for any other new business and adjourned the meeting until next month. The next meeting will be held on September 10th , 2019 (2nd Tuesday of the month).
