Old Business:

Raider Roundup / RF Stevenson Memorial Contest: September 16-17th

- No Carrier due to lack of interest. Combat will be run by John Knoppi, Stunt will be run by Howard Rush, CD. Chehalis Airport requested that we have fire protection on hand, due to the dry grass.
- Howard has the Crock and money on hand!

Ringmaster Fly-A-Thon: October 7-8th

- A Ringmaster event will be hosted by Dave Gardner, in keeping with the international event. It will be held this year at Roegner Park in Auburn, per the flyer distributed by Dave. So far, the weather looks acceptable for that weekend.

New Business:

Possible model building program with Auburn Airport group:

- Mike Potter brought up the topic of a model building program with a group from Auburn Airport. Details were still a bit sketchy, but it would appear to be a mentored program with model builders (US!) working with kids, to teach basics of building and flying.....control line topics, of course! Mike will get more info from the group, on the basis that we would furnish enough mentors/teachers/advisors to do the job.

NWSR Winter Swap Meet: Saturday, November 18th, at Denny's in Kent

- The Winter Swap Meet will be held in the meeting room at Denny's, 8 am to 1 pm. A flyer will be sent to all parties with details.

Bob Einhaus noted a swap meet at Olympia Airport Olympia., November 4th. The link has more info:
