Old Business:

Contact with Tacoma Parks and Recreation to Secure a Flying Field:

- The results of the R. F. Stevenson Memorial Raider Roundup contest were shared with the members from the Flying Lines site where Mike Hazel had published all contest results along with numerous photographs of the event. It was agreed that the contest was a success with the four stunt competitions along with Combat and Carrier events. The wind was challenging on Sunday, but the Saturday weather was excellent.
- Mike Potter let the club know that a group of club members flying at Roegner Park near the Auburn White River High School ball parks were approached by the school security officer who inquired about permission to fly. Mike Potter spoke with a person at the school and was steered to a form to fill out and submit requesting permission. Steve Holt has the form and will fill it out and Mike and he will follow up with the Auburn High School. We need to follow through on the paperwork with the school district to regain flying approval.

New Business:

- Dave Gardner talked about the Ringmaster Days event to be held in October. He suggested the event be held on the 4th and 5th of October, Thursday and Friday from 9:00AM until 4:00 PM at the North Green River Park in Kent. That would avoid conflicts with the soccer players who use the park and allow as many of our members as possible to attend and fly Ringmasters for count.
- The Northwest Skyriders Winter Swap Meet is planned to be held at the Denny's Restaurant in Kent on December 1, 2018. Dave Gardner will coordinate with Denny's to ensure the reservation of the room from 8AM until 1PM.

Mike Potter asked for any other new business and adjourned the meeting until next month. The next meeting will be held on October 9th (2nd Tuesday of the month).
