Miscellaneous Ramblings from Ye Olde Editor

Hey guys, it's gotta stop raining sometime, right???? Assuming that the seven day forecast has any accuracy at all (might be a stretch) this coming weekend should be drying out. Just in time for a double feature of flying events.

On Saturday, motor on down to the Eugene airport for the Propspinnners fun fly. This is the last installment of the Oregon fun fly series. Bring any plane and put up some flights for chances in the flying prize raffle. There will be a hot dog lunch provided. No charge, just show up and fly (and/or eat!)

On Sunday WOLF is hosting a cozy little Speed flying contest. Come on out and see some go-fast action in this season opener. Action will get underway about 10:00.

An updated NW control line activity calendar is included in this issue. Also flyers for the upcoming NW Fireballs contest and for the NW Regionals in Eugene.

DUES ARE DUE

There are a few members that haven't taken care of their dues for this year. If you fall into that category, you may have noted a bright stripe through your mailing label.

Please take care of this soon as possible. If for some reason you can't spare the \$\$ right now, please let me know that the dues are coming later so that I can finish updating our membership roster, thanks! Renewal form is included in this issue.

That's it for now, hope to see out flying this coming weekend! --- mwh ---
