**March-April-May 2019**

**ACADEMY OF MODEL AERONAUTICS  
CHARTER CLUB #3464**

## Upcoming Area Events

**May 4  
Eugene Fun Fly**

**May 24 - 26  
NW Regionals  
Roseburg**

*The "WOLF CALL" is the newsletter for the Western Oregon Control Line Flyers. WOLF members fly at the Bill Riegel Model Airpark facility at the Salem Airport.*

*WOLF membership is not required to utilize the facility, but fliers should be A.M.A. members. If you are not a WOLF club member, please consider joining us to help support control line model aviation activity in our area.*

### WOLF CLUB OFFICERS:

President: Craig Bartlett

Vice-President: Dean Singleton

Secretary-Treasurer: Mike Hazel

Safety Officer: John Thompson

Newsletter: Mike Hazel

## *Miscellaneous Ramblings from Ye Olde Editor*

Greetings All! Weather sure has been a strange mix this spring, but the good stuff should be here soon, right?

Plenty of control line activities coming up in our region this year. Make sure you check out the updated calendar in this issue and make your plans! First up will be what sounds like a real fun day down in Eugene on May 4th. Keep reading for details.

Also in May is the long tradition that we in the Northwest just call the "Regionals". You should have already received a flyer for this, but just in case there is another one included in this issue. As always, there will be a full slate of nearly every kind of control line flying known to mankind. The Roseburg Airport is a great contest site whether you are competing or just spectating. For those of you who like looking for deals and special goodies, there is usually a tailgate sale or two going on there.

If you are going to participate, please remember that there are some deadlines coming up: If you or your business would like to sponsor some trophies, please make contact by April 30th. Special Regionals sweatshirts are available only by special order no later than May 1st. You want to make your room reservation at the host hotel by May 9th. And last but not least, advance entry deadline is May 17th. You can of course still enter at the field, but with no discount.

For any other information you may contact the contest director. (ahem! yours truly)

Keep reading ya'll!.....

**Contest Report Department:  
Jim Walker Memorial  
April 12 - 14, 2019**

The Northwest Fireballs club put on their traditional spring contest under some wet conditions this year. Contest site was Delta Park in Portland, of course.

Entry level looked a little lighter than usual, no doubt due at least in part because of the weather.

A few WOLF members made a showing there, either competing or officiating. Some of our members are of course also Fireballs.

On the Speed circle John Thompson made his first foray with his new NW B Proto ship. Steve Lindstedt also competed.

On the Racing circle, John Thompson and Gary Harris pulled 1 - 2 placings.

In the NW 80 MPH Combat event John took second place.

Entry on the Stunt circle looked a bit sparse this year, and the WOLF crew cleaned up in the hardware department. John grabbed first in both Old Time and Classic. In the Profile class it was a WOLF sweep, with Fred Underwood, Jerry Eichten, and John in that order. And John came away third in Expert PA. (victory in this event is bit hard to come by when Paul Walker shows up!)

Dave Royer pulled contest director duties along with some Stunt judging. Mike Denis also helped out with working as the Stunt pit boss.

Sounds like a good time was had, despite the raindrops. For a full report with all the scores can be seen on the flyinglines website.

---

**Something to wonder about.....**

***Why are they called "stands"  
when they are made for sitting?***

**Eugene Prop Spinners Fun Fly**

Our brother club to the south is inviting WOLF members and the Roseburg area fliers to a very special fun fly on May 4th. Here is the official announcement from the EPS press release department:

***MARK YOUR CALENDARS FOR FUN!***

*We're having an informal fun-fly/model show at the ranch on Saturday, May 4, along with a hot dog barbecue. We are inviting all our WOLF and Roseburg friends to come fly with us and show off their favorite planes. THERE WILL BE PRIZES: Participants will be given ballots to vote for their favorite airplanes — there are no rules, just rank the planes you like the best based on whatever criteria you want. Top prize is a \$50 gift certificate from Brodak, but there will be others as well. So, bring a few of your best or most interesting airplanes for display and/or flying. We also plan to invite the ranch's owners and neighbors to enjoy a hot dog with us. May 4, be there!*

This sounds like great fun, so hope to see all of the WOLF pack come to this. The flying field is a grass circle site at a place called the "Can-Do Ranch". It is right off of Highway 99, roughly midway between the Eugene Airport and Junction City. Most of us will take I-5 south to Junction City exit and hang a left on 99. Go on south out of town until you see the cattle auction stockyard on the west side of the highway. I believe the crossroad there is Mill Iron Road. Upon turning on this road you will immediately see a driveway there leading into the field. If for some reason you get lost, give ye olde editor a call as I will be there. (at the ranch, not lost!) Maybe we should organize a caravan??????

## WOLF / Northwest Control Line Calendar 2019

- May 4 Eugene Propspinnners Fun Fly
- May 24 - 26 NW Control Line Regionals, Roseburg
- June 7 - 9 A.M.A. District XI Jamboree, Wenatchee, Washington
