WOLF LUCKY HAND FUN FLY

JULY 10

The "WOLF CALL" is the newsletter for the Western Oregon Control Line Flyers. WOLF members fly at the Bill Riegel Model Airpark facility at the Salem Airport.

WOLF membership is not required to utilize the facility, but fliers should be A.M.A. members. If you are not a WOLF club member, please consider joining us to help support control line model aviation activity in our area.

WOLF CLUB OFFICERS:

President: Craig Bartlett

Vice-President: Dean Singleton

Secretary-Treasurer: Mike Hazel

Safety Officer: John Thompson

Miscellaneous Ramblings from Ye Olde Editor

Greetings All! Here is another overdue newsletter for you to enjoy. As previously mentioned in a group e-mail, still not yet ready to convert to digital. Got to do my homework on that first! Members will have their option of getting paper edition or not. But again, that will be later on.

Coming up next month will be the return of our Lucky Hand Fun Fly! Same basic format, but the prizes have been sweetened up a bit. This will be courtesy of the Ron Bennett estate. A flyer is included in this issue, so check that out for details.

Speaking of fun flies, our Spring Fling event in March was a huge success. We had record numbers show up to fly and spectate. The huge merchandise giveaway (Ron Bennett estate) was a huge hit with everybody coming away with plenty of goodies. Did you see our AMA VP column in latest magazine? We had a nice mention in there regarding the event. Too bad space restrictions cut off the photo captions.

On a sadder note, we recently learned that NW Fireballs club member Richard Entwistle passed away. Richard had been battling health problems the last couple of years, but continued to visit and spectate with his fellow club members as much as he could until the very end. Watch for an obituary on Flying Lines.

The treasurer's report for 2020 was missed in the last issue, but included now.

Ye Olde Editor will be heading for Muncie next week to participate in the Nationals meet. See you next month! mwh
