## ***Miscellaneous Ramblings from Ye Olde Editor***

Greetings All! Once again, this rag is a bit late and also a bit thin this time.....sorry bout that! Way too much going on, promise to do better next time!

Our Speed and Combat contest in June was a success. Attendance was moderate, everyone seemed to have a great time. It was sure hot, though!

Earlier this month John, Gene and Mike attended the Bladder Grabber Combat contest up in Snohomish, Washington. This annual affair is one of the top Combat meets in the nation. As the saying goes.... "sometimes you eat the bear, and sometimes the bear eats you". Top placing in our group was John, who took 4th place in the 1/2A event, with the rest of us out of the money in both the 1/2A and Fast events.

Coming right up is the Zoot Ranch fun fly. There is a flyer attached, along with directions to my place. If you have not been to this event before, we sure would like to see you come this year. Lots of great company, flying, and of course food! Don't worry if it is a hot day, as there is plenty of shade right next to the flying area.

A bit later in the season is the Northwest Speed Bash and the Fall Follies, both at our field. Information will be coming out soon on those, promise!

All for now, see you at the fun fly!

*Thought of the month.....*

***Why do we wash bath towels? Aren't we clean when we use them?***
